Dear Jamie,

You have been an inspiration to me and my family. We are fans of your shows and cooking lessons. Currently I am studying Culinary Arts and by the end of my degree, I would love to work as an apprentice in one of your restaurants. Maybe we can open one of your restaurants in Puerto Rico and I could manage it. As to myself, I like to work hard towards big goals. I'm easy going and have a good sense of humor.

Give me a chance and I think I can make great things for any of your restaurants or to keep your food revolution going strong in different parts of the world.

Sincerely yours,

David Ortiz
